BILL

People often ask us: "Who's Bill?" To answer that question, Bill is the dog of the founder/owner of Bill's Burger Joint. While naming his burger joint he thought about naming it after one of his two children. However he hesitated to choose between them and decided to name the place after Bill. Bill is a wire-haired Vizsla born in 2019. Bill rates all burgers on the menu and has never been disappointed.

At Bill's Burger Joint our goal is to make historically accurate burgers using the finest ingredients.
